Conferences in the United Church of Canada are courts of the Church organized as an administrative grouping of Presbyteries in a geographical area. The Conference is governed by a body consisting of ministers within its boundaries and an equal number of non-ministerial representatives of Pastoral Charges. Functions of a Conference include the following: determining boundaries and numbers of Presbyteries within its bounds; receiving and disposing of appeals and petitions subject to the usual right to appeal; sustaining pastorate in every Pastoral Charge; examining and ordaining candidates for the Order of Ministry; receiving ministers and deaconesses from other Churches; selecting equal numbers of members of the Order of Ministry and lay representatives to the General Council.

Upon its constitution in 1925 the London Conference encompassed Elgin, Essex, Huron, Kent, Lambton, Middlesex, Oxford and Perth Presbyteries. Algoma Presbytery came within its jurisdiction in 1941. In 1968, Huron and Perth Presbyteries amalgamated to form Huron-Perth Presbytery. On January 1, 2019, London Conference disbanded and the congregations within its boundaries became part of the following Regional Councils: Canadian Shield Regional Council, Antler River Watershed Regional Council and Western Ontario Waterways Regional Council.

SERIES 1: RECORDS OF PROCEEDINGS. -- 1925-1999, 2012-2015. -- 1.34 m of textual records.

Series consists of bound Records of Proceedings of the Conference's annual meetings, 1925-1999, 2012-2015. The terms "record of proceedings" and minutes" are used interchangeably to refer to the record of the Conference's annual meeting. While this form of record always includes the minutes of the annual meeting, it can also include some combination of the following: lists of members of the Executive and other Committees; a history of the Conference; minutes of the Executive Committee meetings for that year; and reports submitted prior to Conference by various committees. After 1960 the Record of Proceedings could also include an indexed or abbreviated record of decisions from the annual meeting and a bound agenda, printed separately, including committee reports. Of the Records of Proceedings, 1925-1987, those for 1925 through 1946 include a bound booklet, printed separately, entitled "digest of minutes of Conference" and could have been intended for distribution following the annual meeting. The digest of minutes is the only record of Conference available for 1947-1948 and 1951-1956. After 1956 the Records of Proceedings are printed and bound individually for each year. There are only report books for the years, 1988, 1990-1991, 1993, 1996, 1998-1999.

Microfilm copy of minutes for 1925-1962, available on 4 microfilm reels: positive and negative; 35 mm.
