Regrets were received from Mr. Arthur H. Webster and Dr. George Telford.

On motion, Rev. D. M. J. Buttars was appointed Minute Secretary.

**Appointment of Superintendent of Missions**

Dr. Macdonald stated that he had attended a joint meeting of representatives of the Executives and of the Home Mission Committees of the Montreal and Ottawa and Bay of Quinte Conferences, held in Brockville, May 10th, in order to consult regarding the appointment of a successor to Dr. J. I. MacKay, whose removal to the Toronto Superintendency, created a vacancy in the Superintendency of the Montreal and Ottawa Conference and the Eastern Presbyteries of the Bay of Quinte Conference.

In addition to the five nominations sent forward by the joint committee, it was stated that Rev. Melville Buttars had been nominated by the Oshawa Presbytery and that a letter had been received from the Rev. W. G. Prosser, indicating his interest in the superintendency. Mr. Buttars asked that his name be withdrawn.

After reviewing the nominations from the Joint Committee, the application referred to above and other names under consideration, the Executive gave direction to the Secretaries regarding the procedure to be followed in approaching certain individuals, with a view to securing a Superintendent. The Secretary was further instructed to report his negotiations to the next meeting called to deal with this matter.

### Superintendencies of Missions

#### *Montreal and Ottawa*

Dr. Macdonald stated that he was happy to report that the Rev. Gordon W. Porter had accepted the position of Superintendent of Missions for the Montreal and Ottawa Conference and the Eastern Presbyteries of the Bay of Quinte Conference and that his appointment had been approved by the members of the Executive.

The new Superintendent was welcomed into the fellowship of the Board by the Chairman and Secretary. Mr. Porter spoke briefly in reply.

The Secretary spoke of the difficulty experienced by the two recently appointed Superintendents of Home Missions, because acceptance of the appointment involved a serious reduction in income and created hardship in making the necessary financial adjustment. It was decided that the Secretary should make enquiry of the Treasurer regarding the possibility of securing, if necessary, a short-term loan for either or both of the Superintendents.

After discussion, Mr. Buttars, Dr. Mustard and Mr. Mattinson were appointed a committee to draft a communication to be forwarded to Dr. Harold Vaughan, Chairman of the Vacancy Committee, and a copy to be sent to the Secretary of the General Council.

A resolutions committee, consisting of Revs. J. Milton Fraser, D. M. J. Buttars and Gordon McLaren was appointed by the Chairman. The following were asked to prepare special resolutions, to be included in the Report of the Committee: Revs. J. C. Torrance and J. A. Lyttle with regard to the retirement of Dr. S. B. Stokes; Dr. J. (2) That those travelling by motor be paid on the basis of railway fare

(3) That the amount for Sunday supply shall not exceed \$20.00 per Sunday.

### Superintendencies of Missions

On motion, it was agreed that a nominating committee be appointed to bring in recommendations for the appointment of a Superintendent to succeed Dr. Thos. Hart, who is retiring from the superintendency of Central and Northern Alberta, and of a successor to Dr. S. B. Stokes, who is retiring from the Southern Ontario superintendency, effective June 30th in each case

The following committee was named: the Chairman, the Secretaries, Rev. W. A. Burbidge, Mr. K. G. Partridge, Mr. Ralph Mills, Judge N. V. Buchanan, Rev. R. Douglas Smith, Mr. John Wedlake.

At a later session, the Chairman presented the following report of the committee:

1. *Southern Ontario*: It is recommended that the Rev. H. M. Bailey, B.A., B.D., be appointed Superintendent of Missions for Southern Ontario, effective July 1st, 1957. On motion, it was agreed that the recommendation of the committee become the action of the Board.

Mr. Bailey signified his acceptance of the appointment and expressed appreciation of the confidence placed in him by the Board.

2. *Central and Northern Alberta*: It is the recommendation of the committee that the Rev. C. Dwight Powell, B.A., B.D., be appointed Superintendent of Missions for Central and Northern Alberta, effective July 1st. On motion, the recommendation was adopted, and the Secretary was directed to communicate at once with Mr. Powell as to his acceptance of the appointment.

Later, the Secretary reported that Mr. Powell accepted the appointment and had asked that the Board be informed that he pledged his best to the task.

#### *Re-arrangement, B.C. and Alberta Superintendencies*

It was agreed that the Executive be instructed to study the possibility of a re-arrangement of work in the Alberta and British Columbia Superintendencies and to bring in a recommendation to the next meeting of the Board.

It was further agreed that, in the meantime, the Superintendent of Missions for Central and Northern Alberta, after July 1st, give supervision to Whitehorse in the Vancouver Presbytery.

#### **Address by Moderator**

The Moderator, the Right Rev. Dr. J. S. Thomson was welcomed by the Chairman. Dr. Thomson addressed the Board, speaking of the special place the Board of Home Missions has in the life of our Church and of the place which the United Church has in the life of the nation. The Chairman expressed the appreciation of the Board to the Moderator.

#### **Statements by Superintendents of Missions**

Statements were made by the Superintendents on the work in their respective areas.

Chief Judge Buchanan asked that consideration be given to the allotting of a larger place on the agenda to the Superintendents of Missions, suggesting that perhaps the holding of an evening meeting for the reception of their reports might be justified.

#### **Report of Secretary**

The Secretary made a report to the Board, covering the various phases of Home Mission work and calling attention to several problems in urgent need of solution, one of which was the shortage of ordained ministers.

In the ensuing discussion concerning the shortage and distribution of ordained ministers, it was moved and agreed, that the sections of the Secretary's report dealing with the shortage of ordained ministers and short pastorates be publicized through "The United Church Observer," Presbytery and Conference Home Mission Committees, and Settlement Committees, and that a committee of five be set up to prepare further recommendations to be presented to the Executive of the Board for action.

It was agreed that the Chair should appoint the Committee of Five. The following were named: Dr. J. I. MacKay, Dr. M. C. Macdonald, Rev. J. M. Fraser, Rev. A. D. Stade and Mr. Ralph Mills.

The Report of the Committee, presented later, was adopted as follows:

We would again lay upon the conscience of the whole Church the very serious shortage of ordained ministers and also of workers in the various phases of Home Mission activity, such as: Women Workers, Nurses, Teachers, staff personnel for Indian Residential Schools, other lay workers, in church institutions.

In spite of the fact that we have more candidates in our colleges than ever before, our situation is probably more critical now than at any previous time. In order that we may have some hope of meeting this situation, we urge:

1. That every Presbytery re-examine the work within its area, with a view to re-alignment wherever possible of charges in close proximity to each other and thereby releasing men for service in much more needy areas
2. That every minister seek out the most promising of his young people and inform them of the need and the opportunities for satisfying service in the full-time work of the Church.

Further, we would express our serious concern about the fact that so many of our ministers, and in particular the ordinands, serve for such short periods as to limit the total effectiveness of their ministry. We would urge them to think in terms of a pastorate of four or five years rather than the necessary two years in the case of ordinands.

We would also call this matter to the attention of Presbyteries, Settlement Committees and College Principles, urging those concerned to do what they can towards the end referred to above.

It was further agreed that a digest of the Secretary's Report be sent to all active ministers through the medium of the Home Mission Bulletin and that portions be published as opportunity occurs in the columns of The United Church Observer and The United Churchman; and that a full copy of the Report be sent to all Home Mission Conference and Presbytery Conveners.

### **Division of Home Missions**

On motion, a grant of \$850.00 was voted to the Division of Home Missions, National Council of Churches of Christ in the U.S.A., divided as follows: General Budget—\$550.00; Town and Country—\$100.00; Urban Church—\$200.00

### **Bissell Bursary Fund**

The Secretary reported that the anticipated amount in the Bissell Bursary Fund for 1956-57 was \$995. To this was added a gift of \$500 from the Estate of the late Rev. S. L. Toll, this amount being available only for the one year

The Trustees in September considered 24 applications and voted ten Bursaries of \$75.00 each and two of \$50.00 each from the Bissell Fund and four of \$75.00 each and three of \$60.00 each from the Toll Fund. As in the past applications from Newfoundland were taken care of from the Pitts Sustentation Fund. Following the meeting, two additional bursaries of \$75.00 each were awarded to late applicants.

The report was received for information.

The Secretary requested that the Superintendents keep the Bissell Fund in mind as they travel around their areas, seeking out the children of ministers, planning to attend university, who might be eligible for bursaries.

### **Use of Amount in Sundry Funds**

It was agreed to authorize the use of the sum of \$18,342.67 in Sundry Funds under the Board and designated as the Missionary Emergency Salary account, for the following purposes: \$5,000 to be set aside to continue assistance (formerly provided from the Church of Scotland Fund, now exhausted) towards ocean travel of ministers and lay workers in the Old Country coming to Canada to serve the United Church on aid-receiving charges; the balance of \$13,342.67 to be designated for Church Extension in frontier areas.

### **Department of Fund Raising**

Mr. Neil A. Campbell, Director of Fund Raising, presented his annual report, which was distributed in mimeographed form. The Department had shown considerable growth in the year and a half since its initiation. Fourteen canvasses had been conducted in 1956, resulting in the raising of \$178,000 for new building and expansion projects.

The Board expressed appreciation of the work which Mr. Campbell was doing

#### Treasurer's Statement

Dr. V. T. Mooney addressed the Board and presented mimeographed copies of the financial statement of the Board of Home Missions.

On motion of the Secretary, the Board expressed appreciation to Dr. Mooney and the members of his Department for the fine co-operation received during the year.

#### Report of Committee on Appointment of Students

The Report of the Committee was presented by Dr. Elliott and adopted as follows:

1. During the summer of 1956, 243 students served the Board under its co-operative plan (ordinarily called the "Students' Pool") and of these 10 served in Institutions, 8 in Church Extension, and 1 in Immigration work.
2. The Committee, to date, has appointed to fields this year 240 students. They are distributed in the different Superintendencies as follows:

Dr. Dawe .....	2	Dr. Stokes .....	3
Dr. Godfrey .....	36	Dr. McMillan .....	26

Mr. Porter .....	20	Dr. Hall .....	36
Dr. MacKay .....	8	Mr. Stade .....	33
Mr. Torrance .....	5	Dr. Hart .....	40
Dr. Lyttle .....	13	Dr. Bunt .....	18
			240

- To date 280 students have made application for fields. Of these 93 are in Theology, 154 in Arts and 33 miscellaneous. There were 30 non-candidates. 21 young women applied for fields and 14 were appointed. Of the 280 applications, 250 were candidates for the ministry. There were 21 withdrawals and we were unable to appoint 13.
- The Plan for the Co-ordination of Salaries of students was carried out in 1956. The policy of setting allocations to fields is meeting with continued response and proving a more effective means of financing our student work. To illustrate the effectiveness of this policy the following table shows what has happened in field contributions:

	1954	1955	1956
No. of participating fields .....	208	230	243
Contributions from fields .....	\$110,003	\$122,998	\$129,708
Board of Home Missions share .....	80,658	97,272	80,150

The increased response enabled us to advance payments to our student missionaries to \$35.00 a week plus board and travel on the field. The more experienced students serving their 3rd, 4th and 5th terms were paid at the rate of \$36.00, \$37.00, and \$38.00 per week respectively, plus board and travel on the field. The married students received an additional \$1.00 per week for board. An additional \$5.00 per Sunday was paid to those students who served over 18 Sundays.

It is recommended:

### *Rural Depopulation*

That the problem of rural depopulation be referred to a committee to study and give direction to those engaged in surveys, this committee to be named by the Sub-Executive of the Board.

### *Rural Evangelism*

That a committee on Rural Evangelism be appointed to meet with a committee of the Board of Evangelism and Social Service, this committee to be appointed by the Sub-Executive of the Board.

Rev. D. M. J. Buttars suggested that in planning future meetings of the Board, consideration might be given to inviting rural ministers in the Toronto area to attend the session of the Board at which the Superintendents of Missions present their reports.

### **Immigration**

Dr. Leng presented a mimeographed report on Immigration Work, including a statement on the Hungarian Refugee movement and reports of the various Port Chaplains and other Workers. The work had increased during 1956 mainly due to the increased number of immigrants admitted. A total of 164,857 entered Canada in the Calendar year of 1956 as compared with 109,946 in 1955.

On recommendation of the Committee on Immigration, the following action was taken:

#### *Appointments*

(1) Agreed to re-affirm former approval of the appointment of a Chaplain at the Port of Halifax, at least on a half-time basis; this appointment to be referred to the Secretaries.

(2) Agreed that the Secretaries be authorized to appoint replacements for the Chaplains at Glasgow and Bremerhaven and to appoint a Chaplain at Le Havre.

#### *Halifax*

Agreed to confirm appointment of the Halifax Immigration Committee as follows: Home Mission Convener, President of the Presbytery W.A., President of the Presbyterial W.M.S., Rev. N. M. Slaughter, Rev. J. R. Williams, Dr. Ian Mackinnon, Miss Eileen Ratz.

The following recommendations of the Committee were adopted:

(1) That a letter of appreciation be forwarded to Rev. H. R. Cornish, formerly Port Chaplain, Southampton, England, for the excellent work he has done among British emigrants on behalf of The United Church of Canada.

(2) That in view of the very large number of "old refugees" still remaining in Europe, among whom are many ill, blind or those maimed during World War II, the Department of Citizenship and Immigration be strongly urged—

(a) to include a larger number of those classified as "older refugees" than in past quotas, and

(b) to provide for the admission, as Canada's share of a liberal number of the ill, blind or maimed refugees.

(3) That the Department of Citizenship and Immigration be commended for its plan to increase the numbers admitted to Canada in 1957 from the British Isles, and be requested to continue this policy in the future.

(4) That the Department be commended, further, for its action in admitting Hungarian refugees, following the Hungarian Revolution in the fall of 1956, and be urged to develop and implement its programme for their settlement, giving special attention to the operation of reception centres.

(5) That The Canadian Council of Churches be requested to provide the means whereby a liaison be established between the Department of Citizenship and Immigration and its constituent members in order: (a) to obtain information from the Department concerning general immigration, with the exception of British immigration, which is predominantly Protestant and concerning which information should be made available directly to the larger Protestant Churches; and (b) to be the agency whereby the constituent members of the Council shall make joint representations where necessary to the Department on matters regarding general immigration; with the understanding that this is not to be construed as relinquishing the Board's right to make direct representations to the Department on matters affecting The United Church of Canada.

(6) That the Executive of the General Council urge the Department of Citizenship and Immigration to provide the totals according to the denominational affiliation of immigrants admitted to Canada, and that this information be channelled through The Canadian Council of Churches to its constituent members.

(7) That, in view of the large number of Hungarians already in Canada, many of whom spend too many long days in reception centres, and of the fact that others are landing almost daily, for all of whom the local congregation can be a powerful agency of mercy in extending the hand of helpfulness and friendliness through sponsorship of those who have suffered so much, United Church congregations be alerted to the urgent need for sponsors to provide accommodation and employment for Hungarian refugees.

### *Appreciation*

1. *Rev. Thomas Hart, M.A., B.D., D.Th.*: That the following resolution be recorded in the Minutes of the Board and a copy sent to Dr. Hart:

The Board of Home Missions pauses in its deliberations to note the coming retirement of the Rev. Thomas Hart, M.A., B.D., Th.D., as Superintendent of Home Missions for Central and Northern Alberta and to express its deep appreciation of his services during the past fifteen years. Dr. Hart has served the Church in Alberta since 1913, as student minister, pastor, teacher, and since 1942 as Superintendent of Missions.

Geographically, Dr. Hart's superintendency has covered a vast territory; in time it spans a period of rapid economic development in Alberta. This period, in turn, has seen great expansion in the work of The United Church of Canada in both rural and urban areas and a corresponding increase in Home Mission responsibility.

Dr. Hart has been a generous friend to many and above all to the student ministers; he has been ever ready with advice and practical help to those who needed it. He has been a welcome visitor at the several Presbyteries within whose bounds his work lay.

Dr. Hart's presence at the annual meetings of the Board has won for him the abiding affection of us all; his genial friendliness and ready smile, his imperturbable good humour, we shall greatly miss.

The Board extends most cordial greetings to Dr. and Mrs. Hart and prays that for them there may be ahead many happy years of continued service to God and His Kingdom.

2. *Rev. Sidney B. Stokes, D.D.*: That the following resolution be inscribed in the Minutes and a copy sent to Dr. Stokes:

We wish to express our very warm and sincere appreciation for the valuable services the Rev. Sidney B. Stokes, D.D., has rendered to the Church in his home Conference and to the work of the Board of Home Missions in particular, during his term as a Superintendent of Home Missions in Southern Ontario.

During the five years he has held this office he has given himself

with quiet efficiency, with kindly understanding, and with keen foresight to the various problems of his superintendency.

His gracious personality and dignified presence have merited the respect and affection of his brethren. It is a matter of real regret to his area, his fellow Superintendents and to the Secretaries that ill health has made it necessary for him to lay down his duties before the time of his normal retirement.

3. That the Board extend its appreciation to:

The Moderator, The Rt. Rev. J. S. Thomson, D.D., for his visit to our Annual Meeting and his deep interest in our work as indicated by his message.

The Chairman, Rev. W. M. Mustard, D.D., for the very gracious and efficient manner with which he directs the proceedings of this Board.

The Secretaries, for their sacrificial service to the Church, for their personal friendliness and for their fairness in dealing with our problems.

The Superintendents, for their constant labours throughout the Church and for the inspiration they bring to this Board as they present us with a picture of our work across the nation.

The office staff for their sincere interest in the work of the Church and for their loyal and courteous assistance to this Board.

Miss R. Boucher for her excellent report to this Board and her notable services to the Church in our Pointe-aux-Trembles French Institute.

The minister and officials of Donway United Church for their kind welcome and the entertainment provided for our Annual Dinner, and to the ladies who served a delicious meal.

Mrs. Jean Newman, our special speaker, and to all others whose wit, humour and brilliance helped to make our Annual Dinner an event of such happy fellowship.

The Rev. George Telford, D.D., on his retirement as Minute Secretary, for a task performed graciously and efficiently, and express to him our satisfaction that he remains a member of this Board.

4. That the following resolution be recorded in the Minutes of the Board and a copy sent to Miss Helen Cornforth:

The Board takes this opportunity to express its deep appreciation to Miss Helen Cornforth, now retiring after thirty-seven years of service in the offices of the Board.

Miss Cornforth has served during the Secretaryship of Dr. J. H. Edmison, Dr. Colin Young and Dr. D. N. McLachlan of the Presbyterian Church, who held office before and for a short time after Union, and since

that time with Dr. Cochrane, Dr. Dorey, Dr. Macdonald and their Associates.

Those who have gone would have testified, as would also Dr. Dorey, Dr. Macdonald and their Associates, to the loyalty and resourcefulness of Miss Cornforth. She has proved herself to be a great servant of the Church which she loves, and we wish her many happy years of retirement and God's continued blessing upon her life.

#### Visitation of Troops by Dr. Leng

#### Report of Appropriations Committee

The Report of the Appropriations Committee was presented by the Secretary and was adopted as follows:

##### I. *Salary and Car Allowance*

- (1) That we carry out the instructions of the Seventeenth General Council in reference to the minimum salary and travel allowance which reads as follows:

"That the General Council increase the minimum salary for married ministers from \$3,000 to \$3,200, together with a free furnished house, and that the Board of Home Missions be asked to implement this increase over a two-year period, \$100 in 1957 and \$100 in 1958, and to increase the present scale of travel allowance as soon as possible."

- (2) That for 1957 the salaries be built up to \$3,100 (for a married ordained minister) and that the travel allowance in force be the same as in 1956.
- (3) That all aid-receiving charges be notified, through the Presbytery Home Mission Convener and the Superintendent of Home Missions, of the new salary and travel scale for 1957.

The realization of this scale will depend on each charge fulfilling its salary promise and increasing it where possible.

- (4) That charges not now aid-receiving and whose salary scale is below \$3,100 (for M.O. with furnished manse) and whose car travel allowance is below the new Home Missions travel scale, shall, through proper Presbytery action, make application to the Board of Home Missions for adjustment by way of special grant as soon as possible after the end of the calendar year.

That to qualify for such special grants, these charges must conform to the regulations re canvass, as follows:

(a) Conduct an every-person and family canvass as soon as possible, but in any case before the fall meeting of the Presbytery concerned. Such canvass must produce a minimum increase in contributions towards the salary of \$100 over the amount paid in 1956.

(b) Further, these charges must pay, in addition to salary, a car travel allowance within \$100 of the Home Mission scale. Thus the maximum special on travel that they can receive will be \$100.

- (5) That adjustment of car travel allowance will be made only where the minister owns and operates his car in the pursuit of his duties.
- (6) That, to assist charges in reaching the General Council scale, each Presbytery be asked to appoint a Committee on Salaries (composed of three or more laymen and the Home Mission Convener), which will visit all charges requesting salary and/or travel grants. This Committee will advise and inform the charges concerned on matters of church finance, but especially on the salary and travel scale and the regulations, and also the method of conducting a proper canvass.

Before recommending that the Board of Home Missions pay a special grant on salary and/or travel to any charge not now on the list, Presbytery should be certain that a proper canvass was conducted and that the assistance requested is fully justified.

- (7) That on the basis of estimates of contributions from congregations, the scale of salaries for 1957 be as on Schedule 1, below.

## II. *Education Grant*

(a) That a special grant of \$100 be made to any married, ordained minister or lay supply, in receipt of salary not above the Home Mission minimum, for each child who has to leave home to pursue undergraduate studies at any University or Teacher's College, and that it be understood that such a grant is not applicable to students taking a Theological course; special cases to be dealt with on their merits.

(b) That a grant be made for not more than four years for a student in Arts or Science course and for not more than five in a Medical or Dental course; and that if a student fails in his year, the grant will not be paid for the year in which he repeats the course.

(c) That in making application a prescribed course be defined and the required university term be indicated.

(d) That payment of the grant shall be made in two instalments—the first on receipt of a certificate of enrolment or attendance for the Fall term from the Registrar of the institution; the

second on receipt of similar certification that the student is enrolled and in attendance for the term following the New Year.

### III. *Special Allowance for Transportation on Fields*

That in harmony with the intent of Section 104 (e) of the Manual—

- (a) Every ordained minister or lay supply on an aid-receiving charge or one eligible for assistance from the Board of Home Missions, and serving 100 or more families, on two or more appointments, where the Sunday drive is not less than 10 miles and not more than 39 miles, shall receive a yearly car depreciation allowance of \$350. Where the Sunday drive is 40 miles or more, the depreciation allowance shall be \$375.
- (b) To the depreciation allowance in the above categories, shall be added 15 cents per mile of Sunday travel. This not only cares for Sunday travel, but adds something for pastoral work.
- (c) An ordained minister in the active work, serving a 1-point charge with 150 or more families, and on which a minister (in the active work) would normally be settled, and which cannot be linked up by Presbytery with another appointment to make a larger charge, shall receive \$400 a year towards car maintenance and depreciation.
- (d) An ordained minister on a charge of two or more appointments with 100 or more families, where the Sunday drive is less than 10 miles, and where Presbytery re-arrangement is impossible, shall receive \$400 a year towards his car maintenance and depreciation.
- (e) In charges where the summer and winter travel vary, the travel allowance will be worked out on the basis of three-quarters summer travel and one-quarter winter travel.
- (f) Charges, large or small, with exceptional conditions as to travel and location, and where re-arrangement by Presbytery is impossible, shall be dealt with on their merits.
- (g) Where there are two or more appointments and the minister is unable to operate a car to reach his preaching appointments or in the performance of pastoral duties, he be allowed up to the rate for Sunday mileage, without depreciation, after submitting accounts to the Board of Home Missions; each case to be dealt with on its merits.

NOTE: When the Secretary receives from the Treasurer of the Church the financial statement for the month of October, if in the judgment of the Sub-Executive of the Board the balance available for the rest of the year can provide an additional \$25.00 to

the car depreciation portion of the travel allowance for all who receive it, this amount will be automatically added to the December Quarter grants for travel.

The Travel allowance to be as on Schedule 2 below.

### Transaction of Business Between Meetings of Board

On motion, the following resolution was adopted: That the Executive be authorized to transact all necessary business between meetings of the Board; and, further, that the Sub-Executive be given power to transact business of an urgent and emergency nature—namely, such items as cannot await the regular meeting of the Executive without embarrassment to the Board and the constituency concerned, and also to deal with routine property items and thus avoid delay in congregations' proceeding with building programmes.

It was also agreed that in view of Dr. Leng's forthcoming trip to Europe, the Sub-Executive in May should, in addition to the above, deal with such items as the Secretaries deemed advisable.

### Minutes

1. It was agreed that the printed Digest of Minutes as prepared and edited by the Secretaries and signed by the Chairman and Minute Secretary be the official record of the proceedings and action of the Board, its Executive and Sub-Executive; and, further, that this signed copy be deposited in the vault for safe keeping.

2. The Secretaries were authorized to edit and make necessary corrections in the Minutes of this meeting of the Board.
