## MINUTES OF THE MEETING OF THE SUB-EXECUTIVE OF THE BOARD OF HOME MISSIONS, MAY 2nd, 1930

The Sub-Executive of the Board of Home Missions met in Room 514, Wesley Buildings, Toronto, at 2.00 p.m., on Friday, May 2nd, 1930.

The meeting was opened with prayer by the Chairman, Rev. W. H. Sedgewick, D.D.

*Those present*—Rev. W. H. Sedgewick, D.D., Rev. R. B. Cochrane, D.D., Rev. C. G. Young, D.D., Rev. K. J. Beaton, Rev. J. L. Alexander, B.D., Rev. T. P. Perry, Rev. A. L. Smith, D.D., Rev. Robert Hicks, B.D., Rev. Arthur Barner, Mr. G. T. Graham, Mr. Fred Mann.

A letter, regretting his inability to be present, was received from Rev. R. S. Laidlaw, D.D.

The Chairman welcomed Rev. K. J. Beaton to his new office as Associate-Secretary.

### City Mission Work

The Secretary stated that, as directed by the Board, the formulation of a uniform constitution for City Mission Boards was receiving attention and that report would be made at a later meeting.

### Estate of Sir James Aikins

The Secretary reported that the Investment and Estates Committee and a special committee of the Board had held further conference with Major G. H. Aikins as to items outstanding in the residue of the estate. It was agreed that in the fixing of the total valuation of the residue, the Riverbend Mortgage should be valued at \$17,500 and the General Assets debentures at \$75,000, on the understanding that Major Aikins should arrange that the United Church's share in the residue be paid in cash. The additional asset of Capital Stock of the Minneapolis, St. Paul and Sault Ste. Marie Railway was to be sold and divided between the residuary legatees—the United Church to join with Major Aikins in an undertaking with the Trustees of the Estate to meet any unforeseen liabilities.

It was directed that this report should be incorporated in the Minutes.

### Gift of Mr. Macaulay to Hafford Hospital

It was reported that in a letter received from Mr. T. B. Macaulay re his gift of \$25,000 to Hafford Hospital, he had made the following statement:

"If the character of the community served by this Hospital should so change that the United Church should decide to close the institution and carry on similar work in some other locality, or if the municipality should grow strong enough to support a hospital itself, I would then be willing to have the income from this endowment devoted to hospital work among New Canadians in some other frontier community."

It was agreed to incorporate this statement in the Minutes.

### Arrangements re General Council

The Chairman and the Secretary were appointed a committee to make arrangements for the presentation of the Board's Report to the General Council, and also to make plans for the Home Mission Night at the Council.

### Haldimand-Norfolk Presbytery

As directed by the Board, a Commission, consisting of Dr. F. L. Brown and Rev. K. J. Beaton, was appointed to visit South Norfolk and report at a later meeting.

### Approval of W.M.S. Appointments

Approval was given to the appointment of the following workers under the Board of the Woman's Missionary Society:

### Immigration Work

#### *Resignation of Rev. G. N. Maxwell—*

It was agreed to accept the resignation of Mr. Maxwell, who had recently been appointed Chaplain at the ports of Quebec and St. John—the same to become effective on the appointment of a successor.

#### *Quebec-St. John, New Chaplain—*

The selection of a successor to Mr. Maxwell was left to a Committee consisting of the Secretaries, Dr. Sedgewick and Dr. A. Lloyd Smith.

### Hospital Work

As directed by the Board, the Hospital Board of Alberta made an investigation of the affairs of the George McDougall Hospital and brought in the following recommendations:

- (a) That Mrs. E. J. Gibson, the present Superintendent, be asked to resign at the end of June.
- (b) That Dr. Roy Anderson, the resident Doctor, be appointed Superintendent in her place; Dr. Anderson in the meantime to make enquiries for a suitable head nurse and other staff members to replace two who are leaving of their own accord.

Both of these recommendations were adopted; and it was agreed that grant at the rate of \$5,000 be continued from July 1st, 1930.

### Non-Anglo-Saxon Work

#### *Oshawa, Ont., Discontinuance of Work—*

A resolution of protest against the discontinuance of the grant to the Church of All Nations, Oshawa, as at June 30th, 1930, was received from the local City Mission Board. No action was taken.

#### *Kirkland Lake, Ont., Finnish Deaconess—*

Rev. Edwin A. Kyllonen, Finnish minister at Kirkland Lake, recommended that, should the W.M.S. consider the appointment of a Finnish Deaconess in Northern Ontario, Miss Greta Heikkinen, of Chicago, be given the position. He also enquired whether this Board would consider giving her employment in Northern Ontario for the coming summer. No action.

#### *Regina Settlement House—*

The Board discontinued the grant to the Regina Settlement House as at June 30th and recommended that the question of a grant for a

Deaconess be referred to the W.M.S., who have declined to make any grant for this year but have included in their estimates for 1931 an amount of \$1,000 for salary of deaconess.

It was agreed:

## Grants for Winter Supply by Students

Dr. Cochrane reported that the Presbyteries proposed to have students supply a number of fields during the winter, for which grants had been voted only for the summer months. The estimates of amounts needed for these fields were presented. After discussion, it was decided that, in view of the fact that so many ordained ministers in the dried-out area would be several hundreds of dollars short in their salaries this year, and the Board of Home Missions would be unable to vote more than small amounts to help them carry on, the students serving for week-ends this winter should be asked to accept something less than the usual \$10 per Sunday. The following grants were then voted, it being understood that these are maximum amounts and that the Superintendents would arrange for corresponding reductions where grants were voted by the Board for the full year:

CUMBERLAND—Thomson, \$4 per week.

ST. STEPHEN—Grand Manan, \$4 per week till Christmas.

MONTREAL—New Glasgow, \$6.50 per fortnight; Mascouche, \$6 per fortnight; Delson, \$3 per week; Victoria, \$2.50 per week.

1. 387 men applied for fields for the summer, but only 249 were appointed, as that was the total number of fields available.
2. Following the direction of the Sub-Executive, the Committee adhered to the rule that appointments should be made in order of academic seniority. This means that a number of second year Arts men did not receive appointments and that with three exceptions, no men with first year or matriculation standing were given fields.
3. The Committee recommends that the Board of Home Missions inform the Executive of the General Council that because of prevailing economic conditions and consequently lessened revenue, the Board has not been able to find appointments for over one hundred of the students in our Colleges who applied this year, and also that a considerable proportion of the men graduating from our Theological Colleges are not able to find fields or charges, either East or West.
4. The Committee suggests that the Board urge the Executive of the General Council to canvass this situation carefully and take any steps that are possible to retain for the work of the Church in the future these undergraduates and graduates who are in perplexity now because of the situation in which they find themselves.

2. That the Board confirm the action of its Executive in authorizing the survey of another type of community in Ontario when it considers it necessary.
3. That the Board confirm the action of its Executive in approving in principle of the experiment of a Community Rural Church equipped and manned by the Board.
4. That one or two of the Robertson Memorial Essays of this year on the subject of the Rural Church be published, and that the Executive of the Commission be instructed to make the selection.
5. That one thousand copies of Dr. Cormie's articles originally published in "Social Welfare," and now out of print, be republished as soon as possible.
6. That the Executive of the Commission arrange a series of articles in "The New Outlook," to be written by Rural Ministers on experiences in rural charges.
7. That the Board approve of a "Rural Life Sunday", and that the Executive be instructed to confer with the Board of Religious Education regarding a date for such Sunday to be set by the Executive of the General Council, and make any necessary arrangements for its observance.
8. That, if found feasible after consultation with Dr. Solandt, a few libraries of approved books on the rural question be provided, for circulation in selected rural Presbyteries.
9. That, whereas proper reading habits in the home are of the greatest importance; and whereas under modern conditions it is becoming increasingly difficult to develop such habits; and whereas an adequate supply of suitable books is very frequently not available, and this is especially true in rural homes; therefore be it resolved:—That each Presbytery be asked to promote arrangements whereby adequate book service may be made available to all, these arrangements being such as: the introduction of a county or regional library system, whereby from one central library fresh books may be sent out at regular intervals to suitable distributing points, such as schools, shops, municipal offices, etc., or by distributing books directly from book wagons, or any other plan that may be found suitable.

1. That the Home Mission Board should in the meantime issue some kind of literature regularly in Ukrainian, Finnish, Hungarian and French.
2. That, as in the opinion of the Commission the publications for Non-Anglo-Saxon people have not adequately met the need, and the whole policy should be reconsidered, the Commission be continued, and be instructed to canvass the whole situation and report to the Sub-Executive at the earliest possible date, with a view to having a more satisfactory policy put in operation by the beginning of 1932.
3. That a Committee be appointed by the Board to carry out the foregoing resolution, and that it be composed of the following members:—Eastern Section: The Secretaries, Rev. J. I. MacKay, Dr. J. U. #### *Holidays for Workers—*

That all Non-Anglo-Saxon Workers should have an annual holiday.

#### *Aim of our Work—*

The aim of the United Church is to create a distinctively Christian community. While there are various ways in which Christian character and citizenship may be developed, experience shows that the most fruitful means is the public services of worship provided by the Church. The people, therefore, should be encouraged to cultivate the habit of worship and to make profession of faith in Christ by becoming members of His Church.

On motion the Report as a whole was adopted.

The following recommendations were adopted:—

1. That the Report as now tabled, after editing, be published in the Year Book as the Annual Report of the Board of Home Missions for 1930.
2. That, inasmuch as 1931 marks the Fiftieth Anniversary of the beginning of Dr. James Robertson's Superintendency in Western Canada, and the Forty-fourth Anniversary of that of Rev. James Woodsworth, an illustrated booklet of, say, 64 pages, under the caption of "Half a Century" be published, dealing in a racy and informative way with the historial development and present prospects and problems of Home Missions.
3. That the number of Pamphlets to be published in 1931 be restricted to four, the suggestion being that they deal with the following topics:—

D.D. The items were considered seriatim and adopted as follows:—

1. That the Board once again records its judgment that among the frontiers which face us to-day, none is greater than the large centres of population East and West, and would suggest that the Secretaries should continue to focus the attention of the Church upon the many moral, social and religious problems which face us in the midst of our great cities.
2. That, in the deteriorating areas in the larger cities, the Board of Home Missions may assist self-sustaining charges by contributing a worker, where, in the judgment of Presbytery, such assistance should be given.
3. That the Board approve the constitution, now submitted, for the formation of City Mission Boards, and that it be referred to the Sub-Executive for any further revision which they may consider advisable.

On motion the Report as a whole was adopted.

## Question of Including Our Institutional Work in the Federated Charities' Budget of the Various Cities

A communication from Dr. G. A. Wilson reported that a special committee appointed in Vancouver to consider this matter recommended that application be made to have part of our institutional and marine work included in the Community Chest of that city, as similar work carried on by other churches was included in that fund.

The Manitoba Conference Home Mission Committee recommended that all our work in city institutions should remain under the direct control of the Board.

5. That, inasmuch as it is impossible to begin such a movement without further detailed study of all that is involved, the question be referred to a Committee to report at the next meeting of the Board. Agreed.

## Resolutions Referred to the Board by the General Council

### *Re M. and M. Allocation to Aid-receiving Fields—*

The Board at its previous meeting remitted to the General Council a recommendation that the Missionary and Maintenance Department should avoid allocating to aid-receiving fields amounts that militate against the said fields reaching as large a measure of self-support as possible. (See Digest, March 1930, Page 83.) The Council referred this resolution to the Board of Home Missions for consultation with the Committee of Direction of the M. and M. Fund.

The Chairman, Rev. J. J. Coulter, and the Secretaries were appointed a Committee to consult with the M. and M. Committee.

### *Re Salaries of Ministers occupying Furnished Manses—*

A resolution requesting reconsideration of the deduction of \$75.00 from the grant to a minister reported as living in a furnished manse or parsonage was remitted by the General Council to the Board of Home Missions. (See Minutes Executive, October, 1930.)

On motion it was agreed that the difference in salary because of a minister occupying a furnished manse or parsonage be only \$50.00 instead of \$75.00 as heretofore.

### Allowance to Widows of Missionaries

The Executive recommended that the regulation of the Board re allowance to widow of missionaries (See March, 1930, Digest, Page 73) should be amended to read: That the widows of missionaries employed by this Board at the time of death should receive an amount equal to the grant for six months from the date of the death of the husband. Agreed.

### *Insurance of Hospitals against Liability—*

At the direction of the Board, figures were secured by the office to show approximate cost of insuring our doctors and hospitals against actions for damages. On account of the high cost of such insurance it was decided to take no action.

## Report of Inter-Board Committee on Women Workers

## Resignation of Rev. Mark Fenwick, D.D.

A Committee appointed by the Chair to consider the matter presented a resolution, which was unanimously adopted, placing on record the Board's high appreciation of Dr. Fenwick's services to the Church in general, and to this Board in particular.

It was agreed that Dr. Fenwick's resignation should become effective on October 30th, 1931, and that his salary should be continued to December 31st, 1931.

The Secretary was requested to consult with the Home Mission Committee of Newfoundland Conference re the matter of the vacancy to be created by the resignation of Dr. Fenwick and report to the Sub-Executive.

### Immigration

#### *Report of the Immigration Committee—*

The Report of the Immigration Committee was presented by Mr. A. Maclaren. In 1930, owing to the falling off in demand caused by the financial depression, the Committee placed only 329 boys, 137 single men and 5 families. Their programme for 1931-32 confined itself entirely to the placement of boys, their quota having been set at 200, in conference with the Department of Immigration. No single men or families would be brought to Canada this year. Of the total number of 977 boys placed since the inauguration of the scheme, 718 or 86.4% of the 831 still in Canada were on farms.

On motion the Report was adopted, the thanks of the Board were extended to the Immigration Committee, and growing appreciation of Mr. Maclaren's services was recorded.

#### *Report of the Department of the Stranger—*

The Report of the Department of the Stranger was presented by Rev. K. J. Beaton. The total number of immigrants from the British Isles welcomed by our Chaplains in 1930 was 11,908, and from other European countries, 18,613.

#### *Immigration Chaplaincies—*

The following recommendations were adopted:—

That Rev. T. Hunter Boyd, our Chaplain Overseas, go on half salary as from July 1st.

That Rev. W. H. Stevens, Chaplain at Saint John and Quebec, superannuate and continue as Chaplain.

That Rev. D. L. Gordon, Chaplain at Montreal, combine the duties of Immigration Chaplain and Hospital Visitor for this year.

That Rev. G. F. McCullagh, Chaplain at Winnipeg, superannuate and continue as Immigration Chaplain, with the added responsibility of supplying the Harrow United Church.

### Hospital Visitor, Montreal

The Executive of the Montreal Presbytery recommended that Rev. J. C. MacLeod, then minister of Trinity Church, should be appointed City Chaplain as successor to the late Rev. J. B. MacLeod, his term of office to begin July 1st, 1931.

On motion the following resolution was adopted:—

That we reply to the request of the Montreal Presbytery for the appointment of a successor to Rev. J. B. MacLeod as Hospital Chaplain from July 1st, 1931, that we are unable for this year to comply with the request for the following reasons:—

1. Our allocation from the Finance Committee of the General Council makes drastic retrenchment in our expenditures imperative.
2. The whole policy of the Board of Home Missions in regard to providing Chaplains for hospitals and sanatoria has been committed to a special committee for investigation and report.
3. Immigration is at a low ebb and we have an Immigration Chaplain in Montreal who has been combining these duties with his own during recent months.

And that, in view of these facts, we adopt the following resolution:—  
That for the Conference year beginning July 1st, 1931, Rev. D. L. Gordon continue to act as Hospital Visitor and Immigration Chaplain in the City of Montreal.

#### **Recommendations From Conference Home Mission Committees**

##### *Re Relations of Board of Home Missions and Toronto Church Extension and Mission Union—*

The H.M. Committee of Toronto Conference recommended "that the relations of the Board of Home Missions and the Toronto Church Extension and Mission Union should be surveyed by the Executive of the General Council, with a view to delimiting the respective spheres of work; and, further that the Executive of the General Council be requested to consider the possibility of restoring to the Toronto Church Extension and Mission Union the right of appeal to the Congregations in Toronto for the support of its work." Adopted.

##### *Re Equalizing of Reductions in Various Departments of Work—*

The H.M. Committee of Manitoba Conference passed a resolution urging the Board of Home Missions to see that the reductions, growing out of adverse financial conditions, should "be made equitable over the different departments of Home Mission Work, viz., Domestic Missions, New Canadian Work, Indian Missions, Work among the Orientals, and Medical and Educational Work". The Secretaries were instructed to point out that the Board is trying to carry out this principle to the best of its ability.

##### *Re Equalization of Grants to the Various Boards of the Church—*

The H.M. Committee of Manitoba Conference recommended that the Board "approach the Executive of the General Council with a view to arriving at a reduction in grants which will fall equally upon each and all of the spending Boards of the Church". No action.

##### *Re Placing of Ordinands on Mission Fields in the West—*

A resolution passed by the H.M. Committee of Alberta Conference called attention to the "steady drift towards irreligion manifest in the rural areas of our Province," and deprecated "the withdrawal of our church work from many frontier appointments". It was recommended

that a "more aggressive policy be adopted by the Home Mission Board," and that the Board communicate with the many young men being ordained this year without prospective appointments, calling their attention to "the opportunity for real Christian service for a definite period of from one to three years, and guaranteeing them \$600.00 per year over and above what they raise for salary on the field". It was agreed that this resolution should be forwarded to the Executive of the General Council, with the request that they provide the money which will make it possible to place ordinands as suggested in this resolution.

*Re Application of Special Fund raised to meet  
Emergent Needs in the West—*

A resolution from the H.M. Committee of the Alberta Conference expressed "disappointment that the monies raised in support of the special Fund of One Hundred Thousand Dollars, which was particularly specified as being for the payment of deficits of salaries in the West, have not been applied specifically to that object," and it was suggested that "the National Committee of the M. and M. be asked to make a clear and full statement in regard to the payments made out of this Fund at the earliest possible moment".

It was decided that Dr. Powell should be added to the Committee already appointed by the M. and M. Fund Committee, in order to assist in preparing a reply to this resolution.

*Re Problem of Providing for Surplus Men—*

A resolution forwarded by the B.C. Conference Committee called attention to the fact that the United Church is likely to have for a number of years a surplus of men over charges, and that the burden of providing for these men falls for the most part on the Home Mission Board, whereas it should be a problem for the whole church. The Committee recommended "that all such cases should be reported to the Executive of the General Council, and that this body should concern itself with the better distribution of men so as to avoid undue congestion in any one conference. Also that where money is required in the way of extra grants to care for these men, the problem of securing such moneys should be the problem of the Executive of the General Council, representing all Departments of the Church". It was also recommended that this resolution be forwarded by the Board to the Executive of General Council.

• Recommendation adopted.

**Resolutions From Presbyteries**

*Re Provision of Minimum Salary for Missionaries—*

A Special Committee appointed by the Saskatchewan Conference to consider the problem of ineffective ministers requested "the President as a member of the Home Mission Board to explore with that Board the possibility of making some temporary financial provision for men whom it is expedient not to appoint to a charge on the ground of ministerial inefficiency".

It was agreed that this is the responsibility of the whole Church, and that the matter should be referred to the Executive of the General Council, requesting that the possibility of such temporary financial provision for men deemed inefficient be explored.

**Re Unemployment Situation**

Rev. T. P. Perry introduced a resolution recording the Board's deep sense of the gravity of unemployment as it affects thousands of our people and their pastors.

A Committee appointed by the Chair to consider this resolution recommended that the Board express its thanks to Mr. Perry for bringing this matter to its attention, and further recommended that the resolution be forwarded to the Executive of the General Council, with the request that they frame a suitable resolution on the subject if they consider the time opportune. Report of Committee adopted.

**Approval of Appointment of W.M.S. Workers**

Approval was given to the appointment of the following workers under the Board of the Woman's Missionary Society:—

### Report of the Appropriations Committee

The Appropriations Committee reported through its Secretary, Rev. George Dorey, as follows:—

The total estimates for regular grants to Conferences for 1931, as presented to the Committee, amounted to \$904,348.56, and the requests for special grants on account of deficits in 1930 totalled \$49,647. The total estimated expenditure for 1931, exclusive of Government grants for Indian Work, was \$1,203,050.56. The amount available from the M. and M. Fund for 1931 is \$1,060,000, together with a special appropriation of \$40,000 to meet deficits in salaries and other emergencies in the dried-out areas in the Prairie Conferences, and the estimated receipts from other sources, exclusive of Government grants for Indian Work, are \$50,000, making a total of \$1,150,000. This left a discrepancy between estimated expenditure and estimated receipts of \$53,050.56. In order to meet this, your Committee came to the following decision:—

- (1) Re deficits in 1930 salaries:—It is recommended that salaries be built up to the following scale:—

|   |         |
|---|---------|
| Married ministers—unfurnished house ..... | \$1,700 |
| Married ministers—furnished house .....   | 1,650   |
| Single ministers—without house .....      | 1,500   |
| Lay Supply, married .....                 | 1,200   |
| Lay Supply, single .....                  | 1,100   |

- (2) Re grants for 1931:—It is recommended that salaries be built up to the following scale:—

|   |         |
|---|---------|
| Married ministers—unfurnished house ..... | \$1,750 |
| Married ministers—furnished house .....   | 1,700   |
| Single ministers—without house .....      | 1,500   |
| Lay Supply, married .....                 | 1,200   |
| Lay Supply, single .....                  | 1,100   |

And that all grants to other workers be reduced 3%.

It was the understanding that, if the field should increase sufficiently the amount contributed, the minister would receive the full minimum salary. The only exceptions made in both years were cases where the Conference Home Mission Committees felt that the charge might reasonably be expected to raise a larger amount than they had previously given.

It was reported that the Secretaries and office staff would aim at making an extra contribution to the M. and M. Fund approximating 5 per cent. of their salaries, and that the Superintendents would also make a similar super-gift.

After prolonged and careful revision, the amount needed was reduced from \$1,203,000 to \$1,145,831.23, the grants asked for Conference being reduced from \$904,348.56 to \$861,328.25, and the requests for Specials to meet deficits for 1930, from \$49,647.00 to \$29,167.98.

The figures finally arrived at covering estimated expenditure for 1931 are as follows:—

|   |              |
|---|--------------|
| Grants to Conferences .....   | \$861,328.25 |
| Special grants towards 1930 deficits, etc. ....   | 29,167.98    |
| Amount required for ordinary extra grants .....   | 100,000.00   |
| Travelling expenses, missionaries and workers .....                                     | 23,500.00    |
| Secretaries: Salaries and expenses .....  | 14,500.00    |
| Superintendents of Missions: Salaries, house allowance, expenses and office rents ..... | 56,000.00    |
| Salaries of office staff, office expenses, rent, etc. ....                              | 21,300.00    |
| Literature .....  | 12,500.00    |
| Relief of Protestant Churches in Europe .....   | 1,500.00     |

| Broadcasting .....  | 500.00       |
| Expenses of Board, Executive, Conference Committees .....                               | 7,500.00     |
